“ Christine, I'm so sorry. My heart breaks for you. I looked back through pictures of you and your mom. You look like her, and she was beautiful. I laughed when I saw your feet. I won't reveal your secret about your feet, but it was a happy memory. I hope you can find lots of happy memories you had with your mom. There will be a brain fog, anger, questions, depression, and somewhere down the road there will be acceptance. That's where those happy memories live. I love you and will always be here for you if you need me. Caitlin isn't at my house anymore, but you are welcome anytime. ?
