Gerosa Family,

We are so very sorry to hear of GGs passing. We were so lucky to have known her. She was such a fun, sweet, and helpful lady who laughed with us and gave wonderful advice (certainly about handling the chaos of fun cousin time and especially during the years when our children were small... the easier, innocent times looking back now). She was always so welcoming and warm. When we were in her presence she was sure to make us laugh with her witty and obvious spin on the realities around us (thinking holiday and birthday celebrations she 100% helped make more entertaining and memorable, Gina). I loved her smile, kind eyes and great fashion-sense. When she told stories about her travels with Frank and the wildly fun family vacations she enjoyed, she lit up and her immense love and pride for Frank and her family was so obvious. We loved being with her and Frank, so much so that I was once comfortable enough to stop on my own on my way through NC several years ago and stay with them. They are my sister-in-law's family - not mine!! That is how special she was and how special she made you feel. We weren't with her very often, but we always looked forward to that time... and we will certainly cherish the time we did have. We just love and adore the entire Gerosa clan and our hearts are breaking for all of you. We are wishing you peace and sending loving thoughts and prayers during this difficult time... and always. May the fun and happy memories you have with her carry you through. Love to you all.

With our sincerest condolences,
Bill & Jill Nobes
