“ *I just found out about Meg's passing from a colleague from Mooresville Intermediate School. I worked with Meg there and will always remember her as the most mannerly and classy lady I have ever met. She was voted teacher of the year more than once. Many were touched by her kindness and professionalism. She was an example of a what a teacher should be. I am grateful for having had the chance to know her. Cristin DusenburyElkins, WV*

“ Beautiful woman, inside and out! Tracy and Kate, your mother taught me when Mooresville Junior High was around, and I will always remember that smile we'd get every single time we came to class. She lit up the room with that smile, commanded her classroom without ever raising her voice, and taught us lessons that I continue share with my children today. I am so sorry for your loss, and hope everyone is doing well.

“ Dear Tracy & Family, I didn't get the chance to meet your Mom but can easily imagine how fantastic she must have been because you are someone emanates kindness... and the only way someone could intrinsically possess that trait is if they were treated with kindness and respect as a child and learned it from their parents. I am sure that your Mom is proud of you and loved you and will be a very special angel watching over you, your husband, and your children.

“ Mike, My prayers are with you and your family, in this time of sadness. I have fond memories of Meg, going up together in Alma, GA. All your family were the best of friends with our family, as we have had many fellowships together over the years. You grandmother, Mrs. Burch and your mother, Mary Eva were my third and fourth grade teachers respectively, and were among those that molded me into what I am today. Meg carried on their legacy beautifully.
