“ *Dear Sloop Family! am so sorry for the loss of your mother. My mother enjoyed her very much at South Rowan and the little trips they took after they retired. My aunt enjoyed her very much at Trinity Oaks around the bridge table. Loosing your mother is a hard thing to go through. I am not sure you ever get over it. God bless you in your sorrow Elizabeth Arthurs*

“ Mrs. Sloop was a wonderful teacher and friend. I appreciate her devotion to her teaching and students. We all benefitted from her knowledge, dedication and wonderful sense of humor. She was my teacher for four years. She changed my life!

“ It is always sad to lose someone you have known for years and years and doubly sad to lose someone of Margaret's character. Margaret's loss diminishes our old South Rowan Faculty once again, and I hate to see that happen each time. Somehow, she had another calling, I assume.

“ I send my deepest condolences to the family and friends of Mrs. Sloop. Although I did not know her personally, I've experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that her family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. We can be confident in that beautiful and exciting promise, and may it bring you hope and peace!
