“*Kelly and Mark... Bobby and I are so very sorry to hear of Mrs. Meadow's passing. I remember the day, Brooke and Heather, that I lost my grandmothers... There is a void there and a hurt that is indescribable! You feel like your heart has been crushed... our prayers for the entire family is that God will give each of you remembrance of all of your fond memories with her and a peace and comfort that only HE can give! Kelly, what a treasure to have had your Mom here with you for so long! I'm sure, at her age, she had seen a lot in her lifetime and had many great stories to tell! Your loss is Heaven's gain, for sure! Heartfelt hugs to the entire family as you move forward in the days ahead! All our love to you...*

Let Gods Grace shine upon her most loving family and the care she received from her family was phenomenal. I will sure miss her.

I'm so sorry for your family's loss. We never knew her from anyone other than "grandma Meadows". We weren't biologically hers but she always loved us like we were. She'll be terribly missed.
