“ Rest in peace now our beloved Vivan, your job here is done. You left behind a legacy of love, kindness and humor in all whose path you crossed, especially your numerous grandchildren and great grandchildren. Thank you for accepting me into your family at 14 and teaching me what family was all about. You blessed me with your wisdom and how to cook Italian! Without your help in those early days raising my girls, I don't know what I would have done. Heaven has gained a special angel.

“ Today I take time from my 1st week at a new job to grieve my favorite and most cherished Auntie! She was always there for me in my 1st 7 yrs of life! So many memories and so much love she gave to me when I needed it the most! I will never forget the countless days spent alone with her as the older cousins were in school... from watching soap operas and helping clean the house to food shopping. Rest peacefully Auntie while my memories and love will live on in my heart!! I love you for always loving me in moms absence! You were the BEST Auntie and you will be missed by me and many always!❤️💔
