“ Marie was a good friend. I met her through pro-life work at St. Therese. I admired Marie's dedication to the babies. She worked hard on their behalf. She told me she had been doing pro-life work for 40 years. She was proud of the fact that she helped close several abortion mills. Marie was in a lot of pain but was always ready and willing to do pro-life work at church, signing people up for our activities (she joked that she almost tripped people going into church to talk to them and try to get them to sign up. 😊) Marie was at every Life Chain and 40 Days fir Life praying for the babies. The last time I was with her, my husband and I picked her up to go to a pro-life meeting at St. Therese. She was so happy to be able to go. I will miss Marie greatly. She was a good friend and a staunch defender of the babies. May she rest in peace. 💕
