“ *I only knew Mark for a year, but in that year, he made me feel like a part of his family. He welcomed me into my new church, and always made me so comfortable at church. I am going to miss all of the conversations we had at church, and that day we sat out in the rain and talked for awhile, while everyone was in the mall shopping while we were at the beach. He was a great man, and a great friend! I will continue to pray for his family!*

“ *Mark was a dear member of our Ingersoll Rand family. I had the honor of working closely with Mark the past few months. He was intelligent, kind, and funny. I enjoyed hearing him speak about his family that he was so proud of. He will truly be missed.*

“ Having went to school with him many years ago and being 1 of the few I have seen since graduation, always brought a smile to me and I remember how he could make you feel good with his smile. Remember the good times always.
