“ I remember Gene so well. He was a very kind and sweet man. Years ago we went to church together. I had little Denise in nursery during services and after service I remember him coming straight to get his baby girl with a smile on his face and the minute she saw him she would just go running to her Daddy and he would lift her up. The light in her eyes and her dad's was truly special in those moments. Rest in Peace my old Friend, I know you will be missed by your family and all those around you who's lives you touched.
