Jerry and Don, I am just learning of your mother's death. I am so sorry I missed the service for her. Your mother and my mother, Hazel Dayvault Millsaps, were friends who both went to Landis High School and then ended up marrying and living in Mooresville. You won't remember but our parents used to get together to play cards on a Saturday night and you and I, along with my sister Kathy, would "hang out". Martha was always so sweet. I loved when we would visit.
