“ *Martha was an exceptional friend of mine. We were roommates in San Francisco Ca. We also shared the fact we were from upstate/Northern New York State. We both relocated back to New York and I house sit for her and took care of her dog and cat. She was a very generous person.. I am sure she is in heaven for all the good things she did for others. RIP Marty*

“ *From the first day I met Martha (Marti) she was a sweet and kind neighbor. We had many nice chats about travel and other interests. She was a person you could count on and know that she would be there to support you however she could. I will miss her.*

“ So sorry to hear about Martha's passing. We went to high school together and she was a dear friend. Last time we were together we had a old fashion slumber party with a couple other classmates at my house on Lake Ontario. Fun time was had including a squirt gun fight as we were heading to bed. Kind of hard to picture since we were very much adults at that time. Please pass my condolences to the rest of the family.
