“ *So sorry for your loss! I can remember sitting in her room talking with her about the picture of her when she was a little girl. I told her I could see that little girl still in her. She just laughed and we talked for a while. She will be greatly missed!*

“ Sorry for you loss!! Such a sweet lady that was loved by everyone and will be missed dearly!! I remember the very first day I walked in her room at Genesis, the air was full of wind song perfume like my granny use to wear and when I looked over and seen her sweet face even looked like my granny...I had to go back to hall and clear the tears from my face. From then on out she was my favorite! I would always talk with her and check in on her :) RIP sweet lady!!
