*i miss you mom and i always will-just as ill always love you---god bless you --all my love always with you -- may god always hold you in his arms and give you the love ,the love you should have gotten here --im sorry for any pain i may have given you-and all things i should have said when you were here in my life
youll be missed so bad here--thank you for all your love you gave me
bye mom*

carl freeman - December 10, 2018 at 02:11 AM

*no mother should have ever had to have a life like you did for so long im so sorry- i being the oldest ,i wish so many times now that i just taken you out of that house ,and that life and i didnt and thats my fault and i hope your happy now ---you never got in this world what you deserved -i hope in your life there you recieve so much love as you should have gotten here--im sorry mom i didnt take you home with me -
-im sorry i didnt make that decision for you ,ill always have such regrets for the rest of my life --all the things i could have done - but i didnt- do -
-im so so sorry mom---i love you mm- i think about you always and all the love you gave to me---god bless you mom---you were an amazing mom---may god always hold you close and wipe every tear of disappointment i gave you along with all the things i should have said to you and i didnt---monique loves you so much as i do and will always remember you --rest in peace--momalways and always youll always dwell in our hearts*
