“ *So sorry to the rest of the family for the loss of Helen. I didnt know about her death. She Ruth and Bo were always around when I was growing up. Loved all three. I certainly had a blessed childhood with the Lowes & Bumgarner streets of the mill-hill. Very fond memories. Love and Prayers..Kim Warren Russ*

“ I did not know Aunt Helen went to here forever home last Friday. I am sure many loving Collins family members were at the Pearly Gates to welcome her home. John standing up front smiling... . My daddy was Sam Collins, mama Bobbie Collins. Helen made an impression on me because ,she was so kind. Always had a story to tell. Her laugh was like a child's. You just had to turn around to see where that laugh was coming from and laugh with her. We worked together at Reeves for a bit. She took care of me... We had a lot of celebrations in grandma's old house where she and John lived. Aunt Helen ...Thank you for the laughter, the love, and the memories that will live forever in my heart. I love you!
