“ *While the AD at Carillon, one of my favorite memories of Mary is when she heard the song I've Got the Joy, Joy, Joy Down in My Heart. She jumped out of her seat and started dancing. At that moment, watching her dance, watching her smile, I could see that she had the joy, joy, joy, down in her heart. It was such a beautiful thing to witness and I will always remember that as well as other memories that I will cherish. My thoughts and prayers are with you, family. God bless you.*
