“ *Mary was a wonderful friend to me as a child growing up on the loop. I know I will always remember her, for a kid that didn't have many friends, Ma Mary was really a blessing to me. I remember being so little and finally being able to walk to her house all by myself! And playing with her Siamese kitty while she sat in a chair on the front porch enjoying the beautiful day. She always had candy, and all kinds I tell you what! And she always offered! She would tell me about her garden..I'd help her and pull the weeds. She loved the birds so much, she always had a birdcage with food bowls hanging outside on the tree with the door twist tied open, so they could feel safe whilst they ate. She had a bird whom kept her company for many years..Freddy I believe. I know she missed him when he left her.. I wish she could have stayed On the loop, I only got to visit her a few times at her new place. I really loved her for the kindness she showed me. Im not her family but she sure felt like mine. Rest well, my Ma Mary. I wish I could say goodbye in person.*
