“ *Janet & Randy, I was deeply saddened to hear of the passing of your Mom. She was a truly beautiful soul—graceful, sweet, fun and endlessly kind. I feel so fortunate to have known her since my teenage years, and her warmth and gentle spirit and beaming smile have stayed with me ever since.*

*Her presence lit up every room, and her kindness touched so many lives. Whether through a quiet word of encouragement or a radiant smile, she had a way of making others feel seen and loved.*

*Please know that my thoughts are with you and your family during this difficult time. May you find comfort in the love she gave so freely and in the legacy of goodness she leaves behind.*
