“ *My heart is broken to see this on the exact day a year after my husband passed. And she was there for me when I needed her. I've known her since I was like 5. She always kept the note I left her about her dogs getting out. I have been trying to get ahold of her for months and could never get ahold of her. I'm glad she had the opportunity to meet my husband and first son when she lived in Myrtle Beach. I came across some pictures of her that I sent to her on her phone. If you read this Andrea, could you please text me at 865-202-7914. I would love to hear from you. Mary will most definitely be missed and she was loved by many, especially me. I love you Mary!*

*I was looking for Mary concerning a college sorority reunion and ran across this obit. Mary was my little sister in Alpha Delta Pi sorority at the University of Kentucky and I often wondered where she was and what she was doing and had done with her life. I would love for someone to contact me and tell me about Mary and her adult life. Jackie Jones Quillen...jacquelinejonesquillen@bellsouth.net.*

*My condolences to the entire family*
