

Mary Ann Pippin

January 12, 1951 - December 8, 2024

Mary Ann Pippin, born January 12, 1951 in Blue Island, Illinois passed away on Sunday, December 8, 2024 at the Gordon Hospice House in Statesville, NC.

Mary Ann is survived by her loving husband and high school sweetheart, Chuck Pippin, two daughters, Kimberly Pippin Lawrence (Shaun Lawrence), Lt. Col. Jennifer L Pippin, MD (Victor Medina Soto), grandchildren, Emma and Max Lawrence, siblings Roseann Latoria, Michael Latoria, Daniel Latoria and Frances McCarron. She is preceded in death by her parents, Vito and Rose Latoria and brother, PFC David Latoria.

Mary Ann worked side by side with Chuck for over 25 years as they built from scratch and managed a successful pool construction business. Most recently, Mary Ann worked at Carter Bank and Trust in Mooresville before retiring with Chuck to Florida where most of her family and friends reside.

Mary Ann was always the happiest, spending time cooking, caring for and laughing with the people she loved. Mary Ann created a legacy through her immediate and extended family. She was the proudest "Grammy" of all time, supporting her children and grandchildren in every aspect of their lives. The Grandparent's Club at CHA provides financial support for children in our community that do not have family to assist with "extras" such as prom

dresses, driver's education fees, college application fees, summer camps and field trip expenses...the things she loved seeing her own grandchildren enjoy.

The Pippin Family will welcome drop-in visitors to celebrate Mary Ann's life at Glen Lakes Club House, located at 10485 Glen Lakes Blvd, Weeki Wachee, Florida, on Saturday, December 28, 2024 (time TBD).

In lieu of flowers, the family asks for memorial contributions to be made to the "Grandparent's Club" at Children's Hope Alliance, in her name (194 Barium Springs Drive, Statesville NC 28677 or www.childrenshopealliance.org).

Please accept sincere thanks from the Pippin family for the prayers, meals, support, and love so many friends, near and far, have offered over the last several weeks. Your love for Mary Ann and her family has been reflected in so many beautiful ways.

Cavin-Cook Funeral Home & Crematory, Mooresville, is serving the Pippin family. Condolences may be made to the family at www.cavin-cook.com.

“ As Christmas Eve draws to a close, I am thinking about how your chair will be empty this holiday season and how deeply you will be missed. I feel incredibly fortunate to have shared such a special bond with you during our Jr/Sr High years. Back then, I was exceptionally shy, and you gave me a voice, opening up my world in ways I will forever cherish. I will always be grateful for those memories and our spring break visits, ELHS girlfriend weekends, New Year’s Eve 2016, our 50th class reunion and your visit to my sister’s lake house. My deepest condolences to Chuck, Kimberly, Jennifer, your grandchildren, and your siblings: Roseann, Michael, Danny and Fran. “Sleep in Heavenly Peace” my dear friend. Laura LaCursia

“ Mary Ann was always so warm, and loving towards me as a kid and even into adulthood. She was always very sweet to me. I remember her letting me wear Kimberly and Jennifer’s beauty contest crowns, the dozens of them! And admiring her and chucks Swarovski collection that I found fascinating. She was so in love with her big family and so open with hugs. I will miss her cute, petite, raspy voiced little self. Rest in peace Mary Ann.

“ *As I reflect on my cherished memories of Mary Ann, I am reminded of the countless days I was fortunate enough to spend at Jennifer and Kim's house during my childhood. It was there that I had the privilege of being in the presence of Mary Ann, a woman whose cooking skills left a lasting impression on me. Whenever I make French toast, thoughts of her immediately come to mind.*

I can still recall the numerous trips to and from the skating rink, as well as the countless hours Mary Ann spent by the pool while we played mermaids. She was always there to help us in and out of our dance costumes, watching all the dances we came up with. . Mary Ann played a significant role in my upbringing, and I will forever be grateful to have had her as a shining example of a loving and devoted mother.

Her legacy lives on through the incredible women she raised, serving as a testament to her strength and nurturing spirit. My heart goes out to her family during this difficult time, as they navigate life without her physical presence. Mary Ann's memory will always hold a special place in my heart.

“ *One of my favorite memories of Aunt Mary Ann is her cooking breakfast for us! Auntie made the most delicious eggs, sausage gravy & homemade biscuits! We could sit around the table with a cup of coffee & chat for hours. So much love & will be missed every day*
