“ "Frankie" was the only relative on my paternal side who kept in touch with me. We shared lots of conversations on the telephone. She was a true and genuine person, a wonderful cousin, and a good friend. Each time we talked, she had something good to tell about her children and grandchildren. She was really proud of each of you. I will miss her but someday will meet her in heaven. I am sending my love and sympathy to the family. Rest assured that she is in a much better place than we are. May Frankie rest in peace.

“ *So sorry to hear about the death of my forever friend Mary Frances(I always called her Frankie). We have known each other from first grade. We have stayed in touch with each other all these years, especially on our birthdays. She was a special friend. God has another angel. I know her family will miss her, and I will, too.
