“ Mary always brought her shining smile and jubilant laugh to every occasion we had the privilege to share with her. The world will miss her and especially her precious family. Heaven is rejoicing and perhaps she and Ira are driving a bright red golf cart on those streets of gold. Til we meet again sweet Mary! Peace, love, and hugs, Mike and Caroline Annas

I've known Mary most of my life. Her children and I grew up together in Mooresville. She also worked on my team at McGuire Nuclear Station for Duke Energy until she retired. Mary was a very sweet and kind lady that was loved by many. We will get to see her again one day. My condolences to her family. Deanie Kirby
