“ I have so many wonderful memories of cousin Doatser when she visited every summer for a couple of weeks. We went horseback riding all over aAverill Park and did our share of hiking. Once we got lost and ended up at a farmhouse who brought us in to share their dinner of scrambled eggs and called my mother. They were the best scrambled eggs! The best fun was when my father taught her to waterski. Her feet were so small he had to put sneakers on them but she was able to ski. She was about 8 or 9 years old. Her passing has brought to me how much fun we had together. I know she kept up her great spirit and very sad for her family but know she is well taken care of. Peace and love to her family.
