“ *sure hoping Rene reads this....I just saw this today! Don't know if you remember, but I worked with your Mom at Shamrock Family Practice. We lost touch over the years and could not believe all of the grands she had. Take care and I send prayers and condolences for your great loss.*

“ *A beautiful women with a beautiful spirit. All you had to do was look into her eyes to see the love. She always made me feel so special. Her compassion as a nurse was so obvious in her everyday life. I loved her and will never forget her.*
