“ *Grandma, I miss you everyday. I hope you hear me when I talk to you and ask for your advice. I have your seashell net on my wall so it's the first thing I see in the morning because it makes me smile. I love you forever. I wish you were still here on Earth with me, until we meet again. Love, Stephanie*

I feel so honored that I was able to spend so many fun filled days with you and Charlie on the lake and I have so many memories that I will be able to hold in my heart and share with other people. It's hard letting go, but I know you are watching over me. I will really miss are daily phone conversations on how your day was and what we each where making for dinner.
