“ *I remember when Matt first came to work at First Union. I was his Administrative Assistant at the time and I remember thinking this young man is really young but he was so very nice and I remember him giving me the honor of arranging a special getaway for he and his wife. I remembered thinking how blessed she was to have someone that thought enough of her to do something like that for her. He was so very appreciative of the arrangements that I had made and I was very happy to have done that for he and his wife. He asked me to make certain that she had red roses. I was so excited that he thought that way. He was very humble, super intelligent and I enjoyed having him as my manager. I was very impressed with his tender heart. I will NEVER forget that about him.*

My deepest condolences to Mrs. Heckler and your children. I knew of his love for you by way of his request that you have The Best!

“ Matt was an extraordinary person. I first met Matt when he joined First Union at the tender age of 26. We “older” folks in the department wondered what this young man was capable of, well, he showed us. And, from that point going forward, we formed an amazing friendship. I admired him and will be forever grateful that I had the opportunity to call him friend. And to the Heckler family, please know that Earth has no sorrow that God cannot heal. May his soul rest in perfect peace in the Lord.

“ Deeply saddened with the passing of Matt. He was a true friend and comrade during our time at Exult/Hewitt/Aon. We spent many hours together growing the business. His constant smiling, pleasant demeanor, dry sense of humor, and deeply rooted ethics made him a very special person to work alongside. God bless you and the entire extended Heckler family. --- Jonathan Schembor

“ I worked with Matt at KF, seeing him as recently as last week. We also both worked for Hewitt, and though we didn't know each other then, we enjoyed sharing stories of who we collectively knew, or the ol' Hewitt days. I enjoyed getting to know Matt. He was a quiet and humble leader, with a true talent for explaining things in a way anyone could understand - it just flowed. I learned a lot listening to Matt. I am grateful for the time he willingly spent time with me, helping me to understand the various products and solutions he was working on. And that dry sense of humor - I will miss that the most. If you weren't listening closely, you could miss the most hilarious comment. Thank you Matt for sharing your incredible talents, and making us all laugh along the way. Heartfelt condolences to the entire Heckler family.

“ I worked with Matt as a partner while he was at Hewitt. Matt was a consummate professional and an all around great guy to work with. I will fondly remember the stories he shared about the family, the trip across America in the RV and time in the mountains of North Carolina. I was able to recently reconnect and am happy I had that opportunity. My prayers for peace to his family.

“ I worked with Matt for many years at Hewitt. He was the kind of person who felt like a long-term friend after a very short time. Our work together on a particularly large HR BPO sale really brought out the best in him - he was graceful under pressure, made complicated concepts relatable to others, always delivered solid results, and was an absolute pleasure to work and spend time with. He was always generous in whatever way he could be. My condolences to his family and everyone with whom he was close.

Sending prayers. Matt was a fantastic friend and wonderful person. I recall him being genuine and kind to all who interacted with him. I'm glad I was able to attend school with him for so many years. I have fond memories watching him play soccer. Our class has lost a good soul.

*“ Matt and I were in the same classes all through high school. I have very fond memories of him figuring out how to work the system to help improve our math grade. He always made everyone around him smile and laugh. I missed him at the 30th reunion. I m so sorry for your loss. With deepest sympathy.

“ Matt left his mark on so many lives, mine included. I always reflect back on our time at Exult as a highlight of my career, and Matt was a huge factor in making it that way. He was a uniquely talented and down-to-earth guy, not simply as a leader. I'm a better person for having known him. Without question, I miss him. My thoughts and prayers are with you, his family.

“ Christie and family - my deepest condolences on your loss. Words cannot express how much I will miss him...his humor, his willing to try anything and everything, his endless baiting to try and get me into trouble (usually very successfully), his care, his advice - just him. He grew an extended family across Exult, Hewitt, and KF. Please lean on all of us. You are in my thoughts and prayers.
