“ *Michele and Avery, I was so sorry to hear this morning of Matt's passing. Matt (we always called him "Droll") was one of my best friends in college. We were fraternity brothers, roommates together in The Pit, and fellow groupies of the awful band "Moist." Matt was a constant source of laughter and memorable times. And very odorous home-brewed beer! I regret that we had lost touch over the years and it makes me sick to my stomach to know he's gone. You are very much are in our thoughts and prayers. Our Condolences, Mike Feeney*
