Matthew James Johnson

December 26, 1987 – October 10, 2020

Matthew was born at Alta Bates Hospital in Berkeley, California, on the day after Christmas 1987, to Andrew James Johnson and Barbara Anne Johnson.

After attending elementary and middle school in Kearney Nebraska, Matthew graduated from Kearney High School as part of the class of 2006. During his high school years, under the teachings of Master Tim Bennet, Matthew worked toward and achieved a first-degree black belt in Taekwondo.

Matthew attended the University of Nebraska, Lincoln, studying Biology. He later transferred to The University of North Carolina Charlotte and graduated with a Bachelors Degree in Chemistry. Matthew was a member of the American Chemistry society.

Matthew was very scientifically minded, and was always drawn to those things involving computers, strategy and mechanical attributes. After graduation, Matthew went to work for All Green Recycling in Charlotte, NC. He helped to finalize the development of a recycling process to extract the precious metals from computer component waste. This included a patent application filed with

the USPTO for certain aspects of the process. He was instrumental in the set-up phases of the laboratory at the recycling center and took part in their first ever extractions of gold and other precious metals. Matthew was well liked and respected at All Green and was enormously proud to be part of their team.

Matthew is survived by his parents Andrew and Barbara Johnson of Mooresville, North Carolina, and his brother Joshua Johnson of Charlotte, North Carolina, his Grandmothers Loretta Marriott of Beaumont Texas and Betty Johnson of Harleysville Pennsylvania, 7 Aunts and Uncles and 12 Cousins.

He is preceded in death by his grandfathers Donald H. Marriott Sr. and Dr. Marvin A. Johnson, as well as his uncle Donald H. Marriott Jr.
