“ Merle is the sweetest kindest aunt. You always knew she loved all her family. Russell is a special uncle and they were a love story 💕 I am blessed to have an aunt and uncle like the two of them ❤️

“ Our thoughts and prayers go out to you and your family, Russell. You both have been such dear and faithful friends to us. Merle always kept in touch and was concerned for everyone's welfare. Her sweetness, wit and humor always cheered up everyone around her. We are so saddened with the news that she will no longer be with us. God Bless you and your family.

“ *The lovely memories of my Aunt Merle are mostly from my childhood when my family which lived in Orange, VA, used to visit her, Uncle Russell, and their boys in Richmond, and vice versa. Her infectious, hearty laughter always will be remembered, along with her sense of humor and caring for others. She had fabulous red hair when she was young, and as a young girl I thought it was uniquely beautiful and flashy. Also, I remember Meryl's love of dogs and her extensive nutcracker collection. Rest peacefully, dear Meryl, in the "rose garden of eternity". Condolences and love to Uncle Russell, Russ, and all other members of her family and her friends.*

I have many memories of aunt Merle when I was growing up in Virginia prior to going into the Air Force. She was a very loving and caring person and had beautiful red hair. Rest in peace aunt Merle and I hope you and Mary Ann are watching over us and we will join you in Heaven someday. Love and Condolences to Uncle Russell and family members and friends.
