“ *From all of the Wheeler grandchildren and Shannon (mom): Grandpa Mike would always allow us to dive into his closet and flaunt around in his costumes. Hunter would always wear the red or pink dress with built in breasts!! We have so many memories in their home here in Nv, like how every time we walked through the front door grandpa would be hiding in the closet. And even though we know he was there, his loud voice would still startle us! He was our Santa Clause every Christmas and he was the most amazing grandpa we have ever been fortunate to have. He has been greatly missed since the day he left for North Carolina and he will be missed even more now that he is gone.*

“ Uncle Mike, you always made everyone smile with your "clown" ways. Many great memories of growing up with you. You always helped others when they needed it the most, even when it was hard on you. You will be dearly missed. Lots of hugs and kisses in Heaven for you. Love always, Stacey and Bryon Hemming.
