“ Dear Georgia and family- We were so saddened to hear about the passing of our dear friend Mike. Over the years Mike had become like a member of our family. We could always count on him to make the day more enjoyable. We will cherish our memories of card games, debates, dinners, evenings by the pool, and everyday life with Mike. Through the many memories we have of Mike he will never leave us. He will continue to make us laugh and smile, and I know he will do the same for you. He will be greatly missed. Our deepest condolences, Ryan, Brigitte, Shane, Ava, & Eden

“ Georgia, Mike, Jeff, Scott and the other members of your family. Linda and I were so sorry to hear of Mike's passing. We knew him for 50 years as a wonderful friend with always a smile and a willingness to help someone in need. We have great memories of our travels, playing cards and sharing lots of laughs. We are so pleased to have seen him in December in Ashville and at your home. We wanted to attend his service today but the winter snow and ice storm makes it impossible but all of you are in our thoughts and prayers. Stay in touch and if there is anything we can do, let us know.

“ Georgia and family, I cannot express in words how saddened I am at the loss of Mike. I first met Mike when I first began working with him at Key in August, 2000. Mike immediately became more than a co-worker to me. He became a good friend, mentor, role model and lunch companion. Both you and Mike welcomed me into your lives and hearts. Mike was a man full of life, love and family values. He was generous with his wisdom, humor and friendship, I am a better person for having known him. I know that there is more laughter in heaven now that Mike has arrived. I will miss him. My thoughts and prayers are with you all.

“ Mike was a good friend, and my trusted banker. I knew him as a friend and coworker. Mike, Larry and I had good times at the Rensselaer branch when I'd stop in. I liked Mike enough to give him my Yankee book autographed by Mickey Mantle. He will be missed by all who knew him. My thoughts and prayers are with you, and the family. He was a good guy.
