

Michael Christian Foss

November 23, 1997 - December 3, 2024

Michael Christian Foss, 27, of Mooresville, NC passed away on Tuesday, December 3, 2024. He was born on November 23, 1997 in Falls Church, VA to Kristen Sabine Harwood (Todd) and James Francis Foss (Melanie). Observant and curious, Michael will always be remembered as a giver. He was incredibly thoughtful and exceedingly generous, he always tried to care for the people he loved. He was a talented chef who was fondly known for his ability to pull together seemingly random ingredients to whip up a delicious meal, never using a recipe. He was gifted with the ability to "taste" in his head to know which ingredients would work together. Although encouraged to make cooking a career, he always said it was his rest and relaxation instead. Michael was an avid sports fan, he enjoyed playing lacrosse and passionately rooted for the Washington Redskins. He had a constant companion in his goldendoodle, Sperry, they were always tooling around town together. In addition to his parents, he is survived by his brothers Stephen Foss and William Harwood; his sisters Soraya Barry (Robert), Isabella Harwood, Whitney Taylor (Ryan); his nieces Riley Barry, Kate Taylor; nephew Luke Taylor; grandparents James and Judith Sabine, Doug and Carol Harwood. He was preceded in death by paternal grandparents Edward and Ruth Foss. A Celebration of Life will be held at St. Patrick's Episcopal Church in Mooresville on Thursday, December 12 at 2:00 pm. In lieu of flowers, please consider contributions to a cause close to Michael's heart such as the Lake Norman Humane Society www.lakenormanhumane.org

“ I only had the chance to interact with Michael a few times through work, but even in those small interactions, I could just sense that he had a great heart and was a kind soul. ❤️ He always had a smile and made others feel comfortable and important. He made a positive impact on me. 🙏 Sending lots of love and hugs to all of his family, as I can imagine the deep loss they are feeling right now.

“ I had the opportunity to work with Michael. In every interaction he was quirky, eager to offer suggestions on how to improve the outcomes, and always made a point to spend time checking in after talking business. He was honest, kind, and authentic. He made an impact and he will be missed.
