

## Michael Paul Himes

June 27, 1963 - October 23, 2019

Michael Paul Himes, age 56 years old, passed away quietly at his home.

Michael was a graduate of Monroe Senior High School, Monroe Wisconsin. He attended the University of Wisconsin-Lacrosse after graduation. He then enlisted in the United States Navy, serving aboard the USS Enterprise and at Naval Air Station Alameda. During his naval career he was awarded the Navy Expeditionary Medal, Armed Forces Expeditionary Medal, and Conduct Medal. While in the Navy, he began to find computer technologies to be his real technical passion. He was Honorably Discharged from service in 1991.

Upon separation from military service, he began working in corporate database transfer coding in the insurance industry. He continued his formal education, earning both a Bachelor's and Master's Degree in Computer Science and Information Technology. His career then focused on cyber threat analysis. He joined a team at a national bank and spent many years mitigating risk and loss. He was a respected team member, project manager, and lifelong friend.

Michael enjoyed gaming online with friends around the world. He was the first guy to offer help to anyone needing it. He was an avid reader and loved animals, especially his cats: Sadie and Draco.

Michael is preceded in death by both of his parents; Paul and Dorothy. He is survived by his siblings; Brook, John, Theresa, Cynthia, and Christopher. He also survived by his step son Christian and longtime best friend Robin.

Private family services will be held. Memorial contributions may be made to the ASPCA.

“ *My condolences to Mike's family on behalf of my family. I have worked with Mike for many years now at the bank. He was a good friend of mine and we not only shared a passion for work but we shared with each other on life's many challenges. He was always available to me when I had technical questions or his expertise. I will miss my friend Michael. God Bless!*
