“ Some of my favorite memories of my childhood was, Dot and Dorothy and all of us coming to your house eating popcorn, playing music in the basement with all the laughs and fun. When we all went down the beach together, and our parents rented that big house. Mama and Dot cooking those big breakfast's! We had a blast, Mike and my brother Michael carring on , Mike had the greatest laugh ever! I can still hear it now! I am very blessed to have known such a wonderful soul. Our Lord Jesus Christ got one of the best! He is at peace with his mom and dad. Mike will be missed greatly. Brothers are special love ones!

“ I didn't know Mike that well. Being part of the Choir / musical ensemble at church, we would often see each other on Sundays. In the past year or so, we had talked about some of the issues that he and his family were going through. But you didn't have to know him very long to know what kind of a person he was. Mike was a big, hulk of a man, with a soft and caring heart, and such a gentle soul. My last memory of him will be shaking his hand last Sunday as he past by me. "Hi Rick", he said. "Hey Mike", I responded. His hand was so big, yet so soft. That was the embodiment of Mike... strong in body, soft in spirit. He truly made a difference in this world, and I will miss him dearly.

“ I had a brother in Colorado pass away this week. Now I have a brother in Christ, friend, and neighbor that's with our God. Also had friend whose in my Sunday School class that lost her mother-in-law and her husband (friend) is grieving (this week also). I get the feeling the Lord is trying to tell those that don't know him that time is running out. Do something about this today please, your loved ones care. I will miss Mike but he will be waiting on us. I pray for the family and friends, God Bless each of you. Tom (Nixon)

“ Mike was the deacon for the Kingdom Seekers Sunday school class. We would come in every week with his coffee cup to check on us. He would sit a few minutes and pray with us. He even drove the van for us to visit and share with our home bound. Mikes heart was bigger than life. He was one of God's favored I do believe. Love and prayers to Delores and girls.
