“ *We are so heart broken at the loss of our brother and extended family, Mike. We met Michael, Moms and Pops when we were racing and running radio control boats. We are saddened to hear of the passing of Doris (Moms) as well. The love shown to us from the Cossman Family was genuine and we all connected in a loving way. To the Family, Heartfelt condolences from The Carolina RC Water Burners. May God continue to hold you in the palm of HIS hands.*
