“ I am deeply sadden by the loss of Mike. I had the pleasure of being his neighbor and he truely was a one of kind geniune friendly neighbor and person. He always was willing to help and ask if I need anything. His smile and kind words would always make my day. He loved doing things around the house and making sure the flowers were beautiful for his mom he loved so much. I will cherish the memories of Mike forever. God now has another angel watching over all of you. My thoughts and prayers are with the family and may god bring you peace and comfort.

“ Mike was a dear friend and I will truly miss him. He was always upbeat, friendly and kept a warm smile on his face. Moreover he had a way to encourage and make you feel the sun was always shining regardless of the many challenges we discussed as friends do. I think fondly of the many fun times we shared over the years. Nicole and Sydney I know you will miss your Dad. He so often spoke proudly of you and his grandkids. I am sorry for your loss and you have Ginny's and my deepest sympathies.

“ If one word comes to mind when I remember Michael it's generosity. Anytime we collected money for those less fortunate in our community Michael contributed greatly. Not a holiday went by that he didn't acknowledge the ladies in the office with thoughtful gifts. He had a heart bigger than anyone I know. He really was a special man and a very good friend to me. I will miss him so much! My thoughts and prayers are with his family.

“ Michael touched so many lives with his genuine kindness, infectious laugh and a smile that would brighten every room. His legacy will carry on through the all of the things he touched - his family, his friends, the community and even the business community. He was the real deal and a true example of God's love. I know Michael would want us all to celebrate his life and continue on spreading that love through the world in his honor. Sending prayers and hugs to his family during this difficult time.

“ I don't remember ever seeing Mike without a smile on his face. He always had something uplifting to say and looked on the positive side of life. A neighbor, friend, classmate, a life well lived and will be missed. He loved his family, deeply and dearly, as he did his friends. Celebrate his life and while you are sad remember the good times. Mike's faith, never faltering, will uplift you during those moments you miss him most. God Bless.

“ I have lost a very dear friend today. Michael has meant so much to me, he was always there to just listen or for advice. I knew when I ask him to pray for me or my family that there was going to be a prayer lifted up immediately after I ask him, he was a very Godly man. He always had a smile and a kind word to say. He will be missed and I take every time we talked or seen each other with me as a wonderful memory always.
