“ Mike is larger than life, will always be a best friend, and we'll go for coffee or to an old hardware store together, just to be together to share time.

Once He tried to teach me how to play golf, had to be his hardest challenge ! All the get togethers for birthdays or Christmas or just because will be my favorite times or just pasta and his home made bread and wine. He opened his heart shared his soul and will be next to me forever to talk to and share a laugh.

Thanks for our talks, laughs, once a cigar and always my friend.

“ I am still at a loss of words, Mike was not just a co-worker of about ten years, but my peer, sometimes mentor, often times competitors lol, but most of all my friend. He was a family man and a hard worker. Definitely, lit up any space he walked into! My husband JR, my girls and I will miss you so much!!! 💜💜 We send our prayers and love to his family.

“ It feels like yesterday that I met Mike. While I did not spend a whole lot of time with him, I do remember working with him for a short amount of time while at Helzberg Diamonds. He was a great man and had a good sense of humor, and always had a positive attitude. Mike, you will be missed. And to your family: my condolences, I am truly sorry for your loss.

“ I am truly at a loss here. My Mikey. My friend. My bread maker. Mike was my 1st hire as a manager at Helzberg diamonds in the Northlake Mall. He instantly took up real estate in my heart! His family meant everything to him and this was the foundation of our friendship. I was from NY, he was from NJ and we completely understood each other. No words needed to ever be spoken. When I was transferred to the Concord Mills Mall I made sure he followed. We took care of each other, plus he gave the best hugs!!! My heart is broken, not just for my personal loss, but for the loss his family and friends have endured. I am so sorry. Rest In Peace my friend! Until we can make bread together again, I will keep your family in my prayers daily. All of my love, Priscilla

“ My heart hurts over Mike's passing. He was one of my all time favorite employees of my career, I was his manager at Helzberg Diamonds in Concord Mills. Mike's character: he was stubborn, driven, silly, tempered, disciplined, loyal, knowledgeable, forgetful, loving, and my favorite kind of roller-coaster of an employee BECAUSE he was passionate about every single one of them. I reflect on our tear jerking laughs that we shared over the years where he would have my stomach hurting smh such as him forgetting his teeth partial and couldn't smile for the day! 🤔 I think of all the calming his temper down in the back room or walks down the hall we had, to keep him sane. I think about his "I love you boss" he would sneak into my day when I needed it most such as my Girl Boss sign he bought for my desk on no holiday, just because, that I'll always cherish. My last memory with Mike.....I visited the store to see my 2 favorite Helzberg men, him and Meric, after being gone for 6 months and he hugged me so long and tight and just cried with his head in my shoulder telling me he misses me. Thank you Mike for always making me feel appreciated respected, and cared about because you definitely were. Until I can laugh with you again. Rest in Peace.

“ To Mike's family and friends. I pray that God will wrap his arms around each of you, during this difficult time. My name is Elaine; Mike and I worked at Helzberg Diamonds together for about 8yrs. He was one of the funniest guys that I'd ever met. He loved his family ,and we'd talk often about his wife, kids,nd Grandchildren. I will miss my buddy Mike's presence at work. But, knowing Mike his soul will be there watching over us. Rest in Peace Buddy, Warmest Regards, Mrs. Elaine Bailey

It's been said that people may not remember what you did but they will member how you made them feel. Mike always made me feel welcome. But Mike also gave me a chance to feel like a wild and crazy teenager. It was just a brief moment in time but it gave me a memory and a feeling that I will always associate with Mike. He took me for a ride on his motorcycle. I didn't expect it would give me such a thrill and yet it has stayed with me forever. It was a moment in time when I stepped out of my comfort zone. Thank you Mike. Till we meet again, enjoy the peace you have earned. Always in my heart. ♡♡♡♡♡
