“ daddy, You left us with out saying good bye, but you werent one to be the center of attention and make a big deal of things. There are no amount of descriptive words than can explain how much I miss you. The only thing that makes this a little less devistating is knowing that you are in a much better place. I love you with all my soul.

“ I send my deepest condolences to the family and friends of Mr. Schaefer. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for “the former things have passed away”. “ Bobby Jo, Tina, Jackie, Michael and your extended family and Mike's family, Big Mike's passing has surely left a hole in our universe, hasn't it? He will be missed. I loved the way he said "Hey, Betty Lou". No one made it sound like he did. :-) Love you guys. Aunt Betty
