“ Love my Mimi Rose. 🌹 I can hear her saying "stop talking" or "be quiet." I would get down on her eye level and say "I can't, Mimi- it's my job." Then I would get a shocked look on my face and say "Oh, Mimi.....!" And she would say "what?" And I would say " Oh Mimi! You have the most beautiful smile!" And then a ray of sunshine would appear on her face and she would give me the biggest smile!" 😊 I keep her nameplate in my office. ☀️
