“ *I vividly remember Miya coming to Rocky River for her kindergarten readiness assessment. I fell in love with her immediately! She danced with me, played with dolls, gave hugs and just laughed. Miya wasn't in my class, but I would often "steal" her from her teacher to hang out. The world has lost a beautiful child, but God has gained her again. I am so sorry for your loss. Dance away in heaven sweet Miya!*

“ *Miya was the brightest light in the room no matter where she was. Her spirit and love, her laughter and fun, were always the best moments with her around. My heart is broken but I know she is free again to be the Miya we all know and love! Keep dancing and loving my sweet angel!*
