

Mohamed "Hef" Badr

March 21, 1952 - May 31, 2023

Mohamed elHefni "Hef" Badr passed away unexpectedly on May 31st, 2023 at the age of 71 in his home in Mooresville, NC.

Hef was born March 21st, 1952 in Alexandria, Egypt to Fatima and Gamal Badr. At the age of eleven, he went to England for his education, where he attended The Friends School at Great Ayton from 1968-1970, and met his first wife Helen Bowker. Hef joined his parents in Long Island, NY in 1970, to attend the State University of New York at Stony Brook, graduating with degrees in French and Economics.

After getting his MBA from Hofstra University, Hef worked for a few years in business before pursuing his lifelong passions for automotive mechanics and not working for other people. He opened The Shade Tree Garage in Locust Valley, Long Island in the early 1980s where he was a fixture in the community for twenty years until moving to Mooresville, North Carolina. After a brief attempt at "retirement", Hef began a second career at Caldwell Community College and Technical Institute, where he dedicated himself to teaching auto mechanics for over a decade.

Hef had a boundless curiosity and endless need to tinker and fix things. His sense of humor and generosity were effortless. When he wasn't working one of his many toys in the garage, Hef loved solving crossword puzzles, playing

with his grandkids, going on trips with his wife and friends, and making sure everyone around him had a good time. He was a car nut. An educator. A raconteur. And the loudest laugh in every room he was in.

He is survived by his loving wife Celeste, his son Kareem, his daughter Deena and her husband Kyle, his grandchildren Nadia and Nathan, his step-daughter, Emily Green, his brother Hussein, his Factory Five MK4 Roadster, and too many friends to count.

Hef is preceded in death by his first wife Helen Badr, his parents Gamal and Fatima Badr, and his parents-in-law Margaret and Kenneth Bowker.

Friends and family are invited to attend a celebration of his life on July 7th, 2023. The service will be held at 5pm EST, followed by a toast at 6pm to kick off an evening of celebration and remembrance befitting the man who truly was the life of the party.

“ Hef, Helen, Kareem and Deena were ever present in my parents house.

As my Brother Eric's partner and friend we spent many a holiday meal at the house in Syosset. I will always remember his smile, humor and great size. Rest in peace Hefni. You brought great joy to the Drost house with every visit. Hope you meet up with Eric and Randy over the rainbow bridge. It will be a great reunion. “ For more than 50 years, Hef has been a “brother from another mother “. Since first making friends with my brother, Bill at Stony Brook college on Long Island, Hef was a frequent visitor to our home in Westbury. And boy did my folks get a kick out of him with his contagious laughter and upbeat personality. I have such fun memories of him. I actually used to cut his hair in the backyard and would joke that it was like shearing a sheep, and any mistakes could be easily disguised. Through the years, when Bill was in a band, Hef would be my dance partner, and I can so clearly envision exactly how he danced, and the joy it brought him. His favorite song I believe was Honky Tonk Woman by the Rolling Stones. I once knitted him a winter scarf that was probably about 8 feet long, which he accepted with gratitude and just wound around his neck a few times. As years went on, and I had my own family and three sons, Hef was always the auto consultant for us all and I’m sure taught the boys more than a few things about cars. It is with heartfelt sadness that we mourn his passing. We wish to thank Celeste for the years of joy she brought him and send our most sincere condolences to his family. With love, Roberta and Bob Burger.
