Murray Jack Miller MD, 85, of Mooresville, NC and formerly of Lauderdale by the Sea, Florida, passed away on Saturday, October 5, 2024, surrounded by his children and their spouses. He was born November 16, 1938, in Syracuse, NY, to the late Anna and Samuel Miller.

“ Dr. Miller, AKA "Uncle Murray", taught me everything I know about the critical management of patient's in Diabetic Ketoacidosis. Dr. Miller was kind, generous, and a real character. I've yet to meet a doctor who was more dedicated to his patients than "Uncle Murray", but he left the world a better place with his acts of kindness, his generosity, and the knowledge he passed on to this nurse.

God Bless,

Justin Boise
