# Tribute Wall

“ *This was my mamaw. The only one that I ever had, or knew. There's an "elephant in the room" regarding things that happened after my papaw's passing, many years earlier. I don't harbor any ill will or hatred for the mistakes of others and their impact on my life. I hope that those that benefited at my expense did something worthwhile in the midst of ignoring every plan my papaw had made for after his passing. I know for a fact that sticking my mamaw in a home and liquidating every possible asset was not part of that plan.*

*You know who you are, you know what you did. I've forgiven you, however, your time to answer to a higher power draws nigh.*
