“ Kelly family, I'm so sorry for your loss. My heart broke when I received word of her passing. She was a special soul and I have fond memories of sitting in the front room talking with her and giggling. Her warmth will surely be missed.

“ So very sorry to Jerry, Brooke, Lori, Caroline, and Jason for their loss. Nancy was always so sweet to me when I was in their home or participating in an event with the other youth group members at First Baptist Church. Even years later she never failed to speak to me on the street and ask how I was doing, I have very warm memories of her. What a very wonderful person she was and no doubt Heaven is rejoicing. Prayers for all of you. Nancy and Sarah Kiser were like my surrogate moms.
