“ *I first met her on New Years Eve of 1967; (before being deployed to Vietnam). Knew her only 3 hrs. She looked amazing. All the other guys where hitting on her and I thought I had no chance. She was giving all of us her phone number to call. I went around to the other guys and told them that Nancy said she made a mistake on her phone number. Told them if they give me the scraps of paper I would have her correct the error. Once I got them I threw them in the trash. I was the only one with her number. That was 51 years ago.*
