“ I will remember Nancy with joy and love. We shared our Christmas International Students for four or five holidays. Nancy brought her gracious warmth and organizational skills to our rag-tag group, making us a family. I hope someday, we will find another person so gifted, but I know that task will be arduous as Nancy was so unique. Bill, David, and Eric, I am so sorry for your loss. Please know that Nancy will be long remembered by her church family, the community, her special international students, and all of us, whose hearts she touched.
