“ To Nancy's Beautiful Family:

*I have known Nancy for a good 30 years. I met her at South Oaks where we worked together everyday, 5 days a week, 8 hours a day, side by side, for many years. I remember how she first started dating you Kevin, with your love for those fast cars! Our friendship was quite special, sharing our love of God, family and food, and she loved work, always. Through the years I grew to know you Kevin, and I also knew how special her parents, grandfather, brother, sisters, nieces, nephews, and especially her children and now grandchildren were in her life. Our paths separated for awhile and Nancy eventually joined me at Townhouse. When I retired at the end of 2013, I wanted Nancy to train for my position, which I held for 15 years. She was apprehensive and when she had finally taken the position sometime later, I was able to help her along with the position for which I knew she would love and excel.*

*Today I returned from Mass, where Richard and I lit candles for Nancy and your family.*

*We offered the Mass up for Nancy and her family, and I must share that when we were singing the "Gloria" I strongly felt her presence and how she was at peace and praising our Lord, who she had such a strong love for. Nancy was so beautiful both in and out, and my prayer to all of you is that you know she will be with you in spirit and she is at peace. I feel blessed to have known her and loved her, and know I will meet her again someday.*

*We will offer special gift to a family in need in remembrance of Nancy this Christmas.*

*Sincerely,  
Linda and Richard Dick*

“ I became instant friends with Nancy when we worked together at South Oaks Hospital over 20 years ago. We have remained friends all of these years and I will miss her terribly. She was such a good person, and always made me laugh.. she was one of the nicest people I have ever met. My deepest sympathies to all of her family.
