“ To my very special sister, you were more than a sister you were my best friend. We spent hours on the phone talking about all the good things going on in our lives and talking about all the not so good. I will always cherish all those times. Now it's your time to be at peace and look upon your family as they all continue to grow. In my heart forever ❤️ love Mary Lou

“ Nancy was my neighbor for many years but a cherished friend for even longer. I will always remember her for her strength and kindness. Nancy could always be counted on to lend a hand whenever and wherever she was needed. I will miss her but I know that I am a better person for having known her and calling her friend. Rest in peace sweet Nancy.
