“ *Nancy was a delightful person. I remember the family gatherings at Grandmother Brooks' house and the visits to the farm when I was a child. I also remember she made cinnamon buns once when I was visiting--happy childhood memories of good times with cousins. My sympathy goes to her family.*

“ I was so shock when reading the pasting of my dear friend Nancy. I worked with her at Abernethy, and loved her dearly. We always sent each other birthday cards on our birthday of Dec. 8th. Nancy was a beautiful lady and a dear friend who was kind and helpful to all she came in contact with. She was always loved by the residents of Abernethy. May each of you find peace at this time

“ I send my deepest condolences to the family and friends of Mrs. Auman. Although I did not know her personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that her family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!

“ I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. May these words give you a new hope.
