“ *Just shocked and truly saddened to hear of Natalie's passing. Though we weren't close friends in high school, we had many mutual friends that kept us bumping into each other back then. Ingrained in my memory is how easily she could get along with anyone. She was an honest and unpretentious soul. She was always happy and smiling. My family's prayers and my Rosary today go out to her family. I'm grateful to have known her.*

“ Bob, Brandon, and the rest of Natalie's family, especially Holly too. We loved your Sithee Liz (she is a first cousin to my Mom Diana), Liz's Mom Celia was my Godmother. Natalie and I met when we made a trip from Ohio to visit her family, in NY. We were young children. We belly danced and became fast friends and pen pals. Natalie and I reconnected on FB when Liz was sick, and in person at the St. George picnic a few years back after Liz's passing. Natalie was still grieving her Mom, yet so happy to see all of us. She was such a courageous woman and I enjoyed communicating with her about her family and being a wife, Mom, daughter and professional woman. My prayers are with all of you today and always. “ Words fail to express my sorrow for your loss. Please know I am with you through this difficult time and only a phone call away should you need anything. Natalie was a warm, kind, caring, and giving lady who will not be forgotten. Not only was she a loving wife to her husband, Scott and her children, Colin and Holly, but was a mother figure to my son as well. My thoughts and prayers are going out to the entire family.

“ I have worked with Natalie for 12 years. We worked very closely together. She quickly became one of the favorite people I have worked with in my entire working career. She was such a genuine person. Even when dealing with the most difficult contentous issues, she was level headed, focused and genuinely cared about doing what was right. She was always honest in her dealings with you. I had great respect for her. I considered her a friend and I miss her presence in my life. I will never forget her. I hope her family can take some solace in the fact that she was a positive force and greatly respected by those that worked with her.

I worked with Natalie at Hexcel. She had a beautiful soul. She and my Mom bonded with each other. I would always let Nat know when Mom out of the blue would ask about the lady that "talked a lot". I miss her already. Praying for the family 🙏🙏🙏
