“ Tyler..I remember the day you and your mom were going to make a cheesecake. You came down to get my mixer. You were so happy. You said it turned out real good. You knew it would. Your mom cooked good. You told me that!!!

“ Ryan is my son. He loved Tash with all his heart. Tash was family..We went to the beach together, went out to eat many times and spent holidays with them. Tash loved to garden. The vegetable garden was amazing this year. She planted succulents in the flower bed out front. Tash loved her son, Tyler. Our most recent conversation was about how proud she was he had finished school. I will surely miss you Tash. Thank you for loving my son. ♡Lynn

“ *Still cannot believe this, really at a loss for words. Tash was such a fun and sweet loving woman. Had the pleasure of working with her for two years. She was always there and listened to me when I needed her to. I cannot imagine the pain Ryan and Tyler are going through. I am praying for them and the rest of the family.*
